Satisfactory Resolutions shall be of two (2) kinds:

- a. If during the course of an investigation, but before a determination of Probable Cause or No Cause the parties desire to enter into an Agreement in satisfaction of the charge without a Determination on its merits, the Director shall review and, if the parties indicate satisfaction with the terms of the Agreement, and the terms are equitable, accept it by signature on the Agreement, and issue a Statement of Satisfactory Resolution. All such Negotiated Settlements shall be signed by both parties and witnessed. No such agreement shall be enforceable by Order of the Commission. In the event, however, that both Complainant and Respondent indicate their acceptance of the terms thereof, the Negotiated Settlement shall have the same status as other voluntary contracts.

1. The Executive Director or a Commissioner appointed under these Rules shall dismiss the complaint:
 - a. If it is determined that the Commission does not have jurisdiction over the complaint;
 - b. If it is determined after investigation that probable cause does not exist to believe that the alleged unlawful discriminatory practice has been committed;
 - c. If either the complainant or respondent cannot be located; provided that reasonable efforts have been made to locate the complainant

or respondent, or the complainant has not responded within thirty (30) days to a notice sent by the Commission to the complainant's last known address;

Otherwise refusing or failing to cooperate, or not being able to provide information which a person would reasonably be expected to have to the extent that the Commission's Executive Director or investigating examiner is unable to resolve the complaint; provided that after due notice of the Commission's Executive Director's intent to dismiss the complaint, the complainant has had thirty (30) days in which to respond.
- e. If the Executive Director determines that there are inadequate remedies because:

 2. A finding of probable cause is no longer appropriate because of a material change in the testimony of a key witness for the complainant or respondent; or
 3. A finding of probable cause is no longer appropriate because of a change in law or the discovery of new and material evidence; or
 4. If the complaint or relief sought is covered by a court order or consent decree, or the respondent action complained of is required or authorized by a court order or consent decree.
- h. The Executive Director may dismiss a complaint if the respondent has made a predetermination settlement offer which is in writing and specific in its terms, and the complainant refuses to accept the offer; provided that the offer, as determined by the Commission's Executive Director, would afford a just resolution for the harm alleged by the complainant and the complainant fails to accept the offer within thirty (30) days after actual notice of the offer.
- i. In the event of any dismissal of a complaint:
1. The complainant shall be notified by certified mail, return receipt requested, of:
 - a. The reason or reasons for dismissal;

Such request may be accompanied by argument and supporting materials.
 - b. The Commission Chair shall designate a Commissioner or other representative of the Commission to review the evidence and shall make a report to the Commission Chair within thirty (30) days following their appointment of whether to enter an order of dismissal, an order finding probable cause, or an order of reinvestigation. Within ten (10) days following receipt of the recommendation, the Chair shall review said report, and if he/she agrees with the report, then he/she shall enter an appropriate order.
2. Any Order of Dismissal entered after an application for reconsideration, whether by reinvestigation or hearing, shall be without leave to reinstate.
3. 2.070 FINDING OF PROBABLE CAUSE - EMPLOYMENT AND PUBLIC ACCOMMODATIONS

If the investigator determines, after investigation, that Probable Cause exists for crediting the allegations of the Complaint, (s)he shall report the recommendation of Probable Cause to the Executive Director, who, upon acceptance of the Recommendation, shall draft a Determination of Probable Cause. Such Deter-

mination shall be served on the Complainant and Respondent by mail or handing and such service shall be certified thereon by the Executive Director. Notice of all Probable Cause Determinations shall be reported to the Commission at least monthly, at the time of the regularly scheduled Commission meeting.

The Commission staff shall determine, based on the facts, whether probable cause exists to believe that a discriminatory housing practice made unlawful under this ordinance has occurred or is about to occur. The Commission staff shall make the determination not later than the one hundredth day after the date a complaint is filed unless it is impracticable to make a determination or the Commission has approved a conciliation agreement relating to the discriminatory housing complaint. If it is impracticable to make the determination, the Commission shall notify the Complainant and Respondent in writing of the reasons for the delay.

If the Commission determines that probable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, the Commission shall immediately issue a charge on behalf of the aggrieved person for further proceeding under this ordinance. The charge shall include a concise statement of the facts upon which the Commission has found probable cause to believe that a discriminatory housing practice has occurred or is about to occur; shall be based on the final investigative report; and need not be limited to the facts or grounds alleged in the complaint.

If the Commission determines that no probable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, the Commission shall promptly dismiss the complaint.

When the Commission has issued a charge on behalf of an aggrieved person, a Complainant, a Respondent, or the aggrieved person on whose behalf the complaint is filed, may elect to have the claims asserted in that charge decided in a civil action under KRS Chapter 344, in lieu of an administrative hearing before the Commission. The election shall be made not later than twenty (20) days after the receipt by the electing person of service of the charge from the Commission or, in the case of the Commission, not later than twenty (20) days after service to the Respondent and Complainant. The person making the election shall give written notice of doing so to the Commission and to all other Complainants and Respondents to whom the charge relates.

2.080 CONFERENCE, CONCILIATION AND PERSUASION

an Investigator or Conciliator to endeavor to eliminate the unlawful discriminatory practice by conference, conciliation and persuasion. The Investigator or Conciliator shall notify Respondent(s) that a particular meeting or conversation is for the purpose of attempting to conciliate the Complaint or case. Nothing said or done in the course of conciliation shall be made public or used as evidence in subsequent proceedings without the consent of the Respondent, Charging Party and the Commission.

In that event, the Commissioner/Conciliator appointed on a monthly rotating basis by the Chairperson, shall meet with Complainant and Respondent separately or together in an effort to resolve the Complaint.

2. Conciliation Agreements
